

**Georgia Technology Authority (GTA)**  
**Georgia Broadband, Equity, Access and Deployment (BEAD) Grant Program**  
**Letter of Intent (LOI)**  
**June 16, 2025**

**INSTRUCTIONS**

- Please submit your organization's Letter of Intent (LOI) to participate in Georgia's BEAD Grant Program to GTA at [broadband@gta.ga.gov](mailto:broadband@gta.ga.gov) within 7 business days on your organization's letterhead. The LOI should include the following information:

1. Applicant's Name and Contact Information

- Legal entity name
- Primary point of contact (name, title, phone, email)
- Mailing address

2. Statement of Intent

- A formal statement expressing your organization's intent to apply for BEAD funding within the State of Georgia.

3. Geographic Areas of Interest

- A list of County Grant Areas that you are planning to apply for. (This list in the LOI is not binding and applicants may choose to apply for additional County Grant Areas during the open application window.)

4. Priority Broadband Project or Non-Priority Broadband Project

- Are you seeking to have GTA treat your application as a Priority Broadband Project or Non-Priority Broadband Project?
- Primary technology to be deployed
- Estimated speeds offered (please specifically address how the technology being proposed is capable of meeting the program requirements of speeds of no less than 100 megabits per second for downloads and 20 megabits per second for uploads, has a latency less than or equal to 100 milliseconds).
- For Priority Broadband Project consideration, please describe in detail how the technology you are planning to propose can easily scale speeds over time to meet the evolving connectivity needs of households and businesses and support the deployment of 5G, successor wireless technologies, and other advanced services.

5. Signature

- Signed by an authorized representative of your organization.
